

e-EuroGNC

Workshop Series

“Novelties in Guidance, Navigation and Control (e-EuroGNC)”

Announcement of the Online Workshop on November 4th, 2021

The e-EuroGNC provides a monthly discussion session on specific issues in Guidance, Navigation and Control.

The workshops will start at **5pm Central European Time (CET) / UTC+1.**

Caution: on that day the EU is already back to winter time, but others are not (e.g. US)
